# WHO WE ARE

## Mission

Flip City Gymnastics Club strives to provide high quality gymnastics programming in a positive, safe, and enjoyable environment as part of an overall mission to support athletes in their physical, mental, and social development.

## Vision

Flip City Gymnastics is devoted to enhancing the self-esteem and self-discipline of our athletes, and recognizes each child's individual needs and skill level. These characteristics are retained for a lifetime and will take our children far beyond their gymnastics training; they will acquire the positive self-image and conditioning needed to excel in many sports and future endeavors

# CLUB PROGRAMS

---

We offer many programs at Flip City Gymnastics Club. This includes recreational, active start, parent and tot, field trips, camps, pre-competitive, and competitive programs (Trampoline Gymnastics and Women's Artistic Gymnastics: High Performance, Canadian Competitive Program and Excel).

Flip City is the only club in BC that has athletes on the Canadian National Team in two different disciplines.

The Competitive Program is based on the commitment and hard work of every member and athlete.

The programs goal is to develop skilled competitors while maintaining healthy and well-rounded individuals. Our philosophy is that the parent, child and coach work together for the athletes benefit: coach as a teacher, athlete as a student and parent as a supporter. We are athlete driven and coach led.
